## PRIVACY POLICY AND COOKIES

Published on 16th February 2018

### INFORMATION REGARDING PRIVACY

In compliance with the GDPR Reg. UE 679/16 and subsequent modifications, this site respects and protects the privacy of visitors and users, putting in place every possible and proportionate effort not to damage the rights of users.

### Privacy policy

This privacy policy applies only to the online activities of this site and it is valid for visitors/users of the site. It doesn't apply to information collected through channels different from this website. In compliance with the obligations deriving from national and EU legislation on the protection of personal data, this site respects and protects the privacy of visitors and users.

### Legal basis of the processing

This site processes user data based on consent. By using or consulting this site, visitors and users explicitly approve this privacy policy and consent to the use of their personal data in relation to the methods and purposes described below. Starting from 25th May 2018 (entry into force of the GDPR), this site will process some of the data based on the legitimate interests of the data controller.

### Data collected and purposes

Like all websites, this site also makes use of log files in which information collected in an automated manner is kept during user visits. The information collected could be the following:

- internet protocol (IP) address;
- type of browser and device parameters used to connect to the site;
- name of the Internet service provider (ISP);
- date and time of visit;
- web page of origin of the visitor (referral) and exit;
- maybe the number of clicks.

The above information is processed in an automated form and collected in an exclusively aggregated form in order to verify the correct functioning of the site, and for security reasons (from 25 May 2018 such information will be treated according to the legitimate interests of the owner). For security purposes (spam filters, firewalls, virus detection), the automatically recorded data may possibly also include personal data such as IP address, which could be used, in accordance with applicable laws, in order to block attempts at damage to the site itself or to cause damage to other users, or in any case harmful activities or constituting a crime.

Such data are never used for the identification or profiling of the user, but only for the purposes of protection of the site and its users (from 25 May 2018 such information will be treated according to the legitimate interests of the owner).

If the site allows the inclusion of comments, or in the case of specific services requested by the user, the site automatically detects and records some identification data of the user, including the email address. These data are voluntarily provided by the user at the time of requesting service delivery. By inserting a comment or other information, the user expressly accepts the privacy policy, and in particular agrees that the contents included are freely disseminated to third parties.

The data received will be used exclusively for the provision of the requested service and only for the time needed to provide the service. The information that users of the site deem to make public through the services and tools made available to them, are provided by the user knowingly and voluntarily, exempting this site from any liability regarding any violation of laws. It is up to the user to verify that they have permission to enter personal data of third parties or contents protected by national and international standards.

The data collected by the site during its operation are used exclusively for the purposes indicated above and kept for the time strictly necessary to carry out the activities specified. In any case, the data collected from the site will never be provided to third parties, for any reason, unless it is a legitimate request by the judicial authority and only in the cases provided by law.

#### Place of treatment

The data collected by the site are processed at the headquarters of the Data Controller, and at the Web Hosting datacenter. Web hosting (VHosting Solution s.r.l Unipersonale - Via A. Telesino 67, Palermo, IT), which is responsible for processing data, processing data on behalf of the holder, is located in the European Economic Area and acts in accordance with European standards.

#### Cookies

As usual on all websites, this site also uses cookies, small text files that allow you to store information on visitor preferences, to improve the functionality of the site, to simplify navigation by automating the procedures (eg Login, language site) and for the analysis of site use. Session cookies are essential in order to distinguish between connected users and are useful to avoid that a required feature can be provided to the wrong user, as well as for security purposes to prevent cyber-attacks on the site. Session cookies do not contain personal data and last only for the current session, so until the browser is closed. No consent is required for them. The functionality cookies used by the site are strictly necessary for the use of the site, in particular they are linked to an express request for functionality by the user (such as Login), for which no consent is required.

#### Disabling cookies

Cookies are connected to the browser used and CAN BE DISABLED DIRECTLY FROM THE BROWSER, refusing / revoking the use of cookies. It should be noted that disabling cookies may prevent the correct use of some features of the site itself. Instructions for disabling cookies can be found on the following web pages:

[Mozilla Firefox](#) - [Windows Internet Explorer](#) - [Google Chrome](#) - [Opera](#) - [Apple Safari](#)

#### Third-parties cookies

This site also acts as an intermediary for third-party cookies, used to provide additional services and features to visitors and to improve the use of the site, such as buttons for social media. This privacy policy does not apply to services provided by third parties, and this site has no control over their cookies, entirely managed by third parties. The data transfer agreement takes place directly between the user / visitor and the third parties, so the acquisition of consent for these cookies is, of course, borne by the third parties, while this site does not participate in any way in this transfer. As a consequence, the information on the use of these cookies and their purposes, as well as on how to disable them, are provided directly by the third parties on the pages indicated below.

In particular, this site uses cookies of the following third parties:

- **Google** (Google Analytics cookie): Google Analytics is a tool of analysis of Google that through the use of cookies (performance cookies), collects anonymous browsing data (IP truncated to the last octet) in order to examine the use of the site by users, compile reports on the activities on the site and provide other information, including the number of visitors and pages visited. Google may also transfer this information to third parties where required to do so by law or where such third parties process the information on Google's behalf. Google will not associate the IP address with any other data held by Google. Data transmitted to Google are stored on Google's servers in the United States.

On the basis of a specific agreement with Google, the latter undertakes to process the data according to the requests of the Data Controller, given through the software settings. Based on these settings, the advertising and data sharing options are disabled.

- **Google** (Youtube cookie). Youtube is a platform owned by Google, for sharing videos, which uses cookies to collect information from users and navigation devices. Most of the videos on the site, however, do not convey cookies when accessing the page, having been set the "advanced privacy (no cookie)" option that makes sure that YouTube does not store visitor information unless they voluntarily reproduce the video.

**cookie:** [test\\_cookie.doubleclick.net](#) it is not a permanent cookie but is used to check if the user's browser supports cookies.

#### Transfer of data to non-EU countries

This site may share some of the data collected with services located outside the European Union area. In particular with Google, Facebook and Microsoft (LinkedIn) through social plugins and the Google Analytics service. The transfer is authorized based on specifications [decisions of the European Union and the Guarantor for the protection of personal data](#), in particular Decision 1250/2016 ([Privacy Shield](#) – here the [information page of the Italian Guarantor](#)), therefore no further consent is required. The companies mentioned above guarantee their adherence to the Privacy Shield.

#### Security measures

This site processes the data of users in a lawful and correct manner, adopting the appropriate security measures to prevent unauthorized access, disclosure, modification or unauthorized destruction of data. Processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the owner, in some cases, may have access to the data categories of employees involved in the organization of the site (administrative, commercial, marketing, legal,
