

PEEL OFF NAIL POLISH

Fragrance
characteristic

Colours
from 9645 to 9664

Regulations
to evaluate with Regulatory
office

Innovative peel off nail polish, water based, that can be removed without solvent, but lifting it like a film. Perfect for women who changes the nail polish often or for young consumers, thanks to its completely non-toxic composition.

Effects

Easily removable, non-toxic and water based nail polish.

How to use

Apply the product directly on nails as a normal nail polish.

Label

PAO / Expiry date
(to evaluate with Regulatory office)

Do not throw out in the environment / Green Dot

Bottle capacity indication

Not suitable for children under 3 because it contains small parts that could be ingested.

WARNING: use the product under the direct supervision of an adult, the wrong use can be a risk factor.

Keep far from the reach of young children.

Keep away from the eyes.

Do not ingest.

Suitable for children from the age of 8 and more.

Advices

- Being a water based product it is possible to remove it also washing hands with water
- If you desire that the product is water resistant it is possible to apply the ICC Glossy Coat that can be removed as a film too
- The whitish base of these nail polishes will become transparent when they dry, therefore the colour changes from the bottle to the nail
